Gentlemen;-

Messrs. Spink & Son, Ltd., London, England,  
with whom I have most agreeable business dealings since  
many years, just inform me that on March 12th there will  
be a special sale at Amsterdam, Holland of a very  
choice collection of BRUNSWICK THALERS (Braunschweiger  
Löser). Collection belongs to a well-known Berlin  
Collector of rare coins.

In case you have no Representative at Amster-  
dam and should wish to be present at this sale, I shall  
very gladly give you the adress of the place at Amster-  
dam where the sale takes place and where the collection  
may be inspected on March 10th.

Or if you desire information with regard to  
condition or value of any lot, I shall gladly arrange  
for this through Messrs. Spink & Son. and have them send  
you an illustrated catalogue, also advise you where you  
can reach their Representative at Amsterdam.

Very truly yours,

Hans Henry Kahrs.

HNK/S

P.S. I feel confident that in this collection there  
are several large Multiple Talers of Brunswick, of the  
earliest "loser" or savings pieces, not to be found in  
the Farran Zerbe (Chase National Bank collection of 43000  
pieces) collection.

Dear Sir:

I beg to thank you very much for calling our attention to the sale of Brunswick Thalers, by Schulman of Amsterdam. We are in close communication with this firm and received the catalogue some time ago.

With much appreciation,

Yours very truly,

Curator.
